

# Call for Papers

## International Journal of Business Information Systems

### ICCOINS 2018: Special Issue on: "Nurturing the Power of Information Systems Innovation for the Digital World"

*Guest Editors:*

Dr. P.D.D. Dominic, Dr. Jafreezal B. Jaafar and Dr. Noreen Izza Arshad, Universiti Teknologi Petronas, Malaysia

The special issue will carry revised and substantially extended versions of selected papers presented at the [International Conference on Computer and Information Sciences \(ICCOINS 2018\)](#), but we are also inviting other experts to submit articles for this call.

### Subject Coverage

Suitable topics include, but are not limited, to the following:

- IS trends in business
- E-learning and educational information systems
- Business processes and competitive strategy
- Global and cultural issues in information systems
- Governance and management of information systems
- Healthcare information systems
- Knowledge management
- DSS and business intelligence
- Project management and information system development
- Security and privacy of information
- ERP, CRM, SCM and GSCM
- Mobile e-business, web services for e-business, e-commerce
- Strategic information systems
- Balanced scorecard, performance measures/metrics
- General information systems topics

### Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

**All papers *must* be submitted online.** To submit a paper, please read our [Submitting articles](#) page.

If you have any queries concerning this special issue, please email Dr. P.D.D. Dominic at [ghanapal\\_d@utp.edu.my](mailto:ghanapal_d@utp.edu.my).
