

14-16 July 2020 | Borneo Convention Centre Kuching

SCIENCE, TECHNOLOGY & HUMANITIES : REINVENTING THE FUTURE

ESTCON 2020

WORLD ENGINEERING, SCIENCE & TECHNOLOGY CONGRESS

ESTCON2020 SPONSORSHIP OPPORTUNITIES

About The Organiser

- Universiti Teknologi PETRONAS (UTP) is a private university established in January 1997 under the Malaysian Private Universities Act (1996). The University is a wholly-owned subsidiary of PETRONAS, the national oil company of Malaysia.
- The campus is located on a 400 - hectare site at Bandar Seri Iskandar, Perak, Malaysia and currently hosts students from all over the world. UTP offers a wide range of engineering and technology programmes at foundation, undergraduate and postgraduate levels.
- The programmes are designed with high industry- relevance to provide a dynamic learning environment. Although focused on engineering and technology, the academic programmes are also designed to produce well-rounded graduates with high technical competence and desirable qualities such as critical thinking, creativity, capacity for lifelong learning, business acumen and communication skill, among others.

About The Conference

- The World Engineering, Science and Technology Congress (ESTCON2020) is the 6th ESTCON series since its inception in 2010, a biennial Congress organised by UTP is an excellent centre stage for knowledge sharing, intellectual discussions and also networking on various areas of interest; for all academics, researchers, scientists, engineers, interest groups and industry experts from all around the world.
- Themed 'Science, Technology and Humanities: Reinventing the Future', the congress covers a wide range of fields in innovation, engineering, and technology as well as in humanities addressing the latest trends and challenges facing the world in embracing the Fourth Industrial Revolution. This event has previously garnered the attention and participation of 1,500 delegates and 3,000 visitors from around the globe, each congress.
- The congress is also supporting the Yayasan UTP to promote and further the cause of education in Malaysia. ESTCON2020 comprises 9 international conferences, namely:

About the venue

- Borneo Convention Centre Kuching, the unique convention centre. A space created among the tranquility of the tropical rainforest where any distractions that will take focus away from simply being innovative are kept at a distance but yet still easily accessible.
- Visit the conference in the heart of Sarawak; with numerous sights to see and attractions to explore nearby and fully experience the various cultures that is Sarawak.

ESTCON2020 SPONSORSHIP OPPORTUNITIES

The World Engineering, Science and Technology Congress (ESTCON2020) is pleased to provide your company or organisation with positive profile through your sponsorship involvement.

The benefits that make up your sponsorship are guaranteed to raise your profile with these important target markets of ESTCON2020.

Over 1,500 delegates are expected, ranging from academics, researchers, scientists, engineers as well as interest groups and industry experts. The reach of the programme will touch over 5,000 participants from many different countries.

We invite you to contact us to discuss all the possibilities of Sponsorship for your organisation. We look forward to tailoring a sponsorship package to highlight your company, product or service.
