

**ICOGET2018 Conference Programme Overview
(Tentative)**

Day 1: Monday, 13 August 2018		Remarks
0800 - 0900	Registration	
0900 - 1000	Opening Ceremony	
1000 - 1030	Exhibition/Tea Break	
1030 - 1300	Keynote Adress	
	Keynote 1: Anticipating Successive Waves of Changes at the 4th Industrial Revolution Accelerates by Dr David Wood, Chair, London Futurists/ Principal, Delta Wisdom	
	Keynote 2: Malaysian Megatrend: Role of IR 4.0 in Developing the Nation by YBhg Prof Dato' Dr Asma Ismail, President, Academy of Sciences Malaysia / Vice Chancellor, Universiti Sains Malaysia	
	Keynote 3: Malaysian 4th Industrial Revolution Framework for Manufacturing by YBhg Datuk Seri J. Jayasiri, Secretary General of Ministry of Trade and Industry	
1300 - 1400	Topical Luncheon	
1400 - 1600	Panel Session: Big Data Revolution: Adapting to Disruptive Forces in the Oil and Gas Industry and Way Forward	Room 305
	Speaker 1: Mr Azhar Abdullah, Managing Director, Schlumberger, Malaysia	
	Speaker 2: Mr Rao Abdullah, Vice President, Halliburton Asia Pacific Region, Malaysia	
	Speaker 3: Prof Dr Tarek Ahmed, Professor Emeritus of Petroleum Engineering	
	Speaker 4: Mr Hisham Basar, Head of Wells Department, Centre of Excellence Division, PETRONAS	
	Speaker 5: Prof Ir Dr M Shahir Liew, Deputy Vice Chancellor Research & Innovation, Universiti Teknologi PETRONAS	
1600 - 1615	Tea Break & Poster Session	
1615 - 1715	Parallel Technical Sessions	
	Technical Session 1: Petroleum Exploration and Development	Room 308
	Technical Session 2: Reservoir Engineering & Hydrocarbon Recovery	Room 309
	Technical Session 3: Production Operations and Optimization	Room 310
1720 - 1820	Parallel Technical Sessions	
	Technical Session 4: Petroleum Exploration and Development	Room 308
	Technical Session 5: Reservoir Engineering & Hydrocarbon Recovery	Room 309
	Technical Session 6: Production Operations and Optimization	Room 310
1830	Reception Dinner	
Day 2: Tuesday, 14 August 2018		
0800 - 0900	Registration	
0800 - 0915	Parallel Technical Sessions	
	Technical Session 7: Production Operations and Optimization	Room 305
	Technical Session 8: Production Operations and Optimization	Room 306
0920 - 1035	Parallel Technical Sessions	
	Technical Session 9: Advancement in Drilling Operation and Autonomous	Room 305
	Technical Session 10: Advancement in Drilling Operation and Autonomous	Room 306
1030 - 1045	Tea Break & Poster Session	
1045 - 1215	Plenary Session	Room 305
	Plenary 1: The Misuse of the Traditional/Modern Decline Curve Analysis for Reserves Estimation by Prof Dr Tarek Ahmed, Tarek Ahmed Associates, Texas, USA.	
	Plenary 1: What Does It Take to Illuminate The Reservoir: The Seismic Angle by Prof Dr Tariq A. Alkhalifah, King Abdullah University of Science and Technology, Saudi Arabia.	
1215 - 1245	Poster Session	
1300 - 1400	Topical Luncheon	
1400 - 1515	Parallel Technical Sessions	
	Technical Session 11: Petroleum Exploration and Development	Room 302
	Technical Session 12: Reservoir Engineering & Hydrocarbon Recovery	Room 303
	Technical Session 13: Reservoir Engineering & Hydrocarbon Recovery	Room 304
	Technical Session 14: Reservoir Engineering & Hydrocarbon Recovery	Room 305
	Technical Session 15: Production Operations and Optimization	Room 306
1520 - 1635	Parallel Technical Sessions	
	Technical Session 16: Reservoir Engineering & Hydrocarbon Recovery	Room 302
	Technical Session 17: Reservoir Engineering & Hydrocarbon Recovery	Room 303
	Technical Session 18: Reservoir Engineering & Hydrocarbon Recovery	Room 304
	Technical Session 19: Reservoir Engineering & Hydrocarbon Recovery	Room 305
	Technical Session 20: Production Operations and Optimization	Room 306
1635 - 1645	Tea Break	
1645 - 1700	Closing Ceremony	
Day 3: Wednesday, 15 August 2018		
15-Aug-18	One day Experiential tour @ Kuala Lumpur / Putrajaya	
15-Aug-18	Two days Experiential tour @ Ipoh	
13 - 15 Aug	Design Thinking Workshop with MAGIC @ Grand Hyatt Hotel, Kuala Lumpur	
15 -16 August	Shot course 1 by Prof Dr Tarek Ahmed "Equations of State & PVT Analysis for Hydrocarbon Phase Behavior"@ Centre for Advanced and Professional Education (CAPE), Kuala Lumpur	
15 -17 August	Shot course 2 by Dr Hadi Belhaj "Uncertainty, Risk and Decision Analysis in The Petroleum Industry" @ Centre for Advanced and Professional Education (CAPE), Kuala Lumpur
